2018 SUMMER ENRICHMENT CAMPS

Registration begins: May 1st, 2018

Our **Summer Enrichment Camps** feature fun, play-based learning activities centered on weekly themes. Children ages 24-months to seven years of age (or those entering First Grade in September) are welcome to attend. Activities are designed so children of different ages can participate *together* but at age-appropriate learning levels. Each weekly program is lead by an experienced early childhood educator. Summer Enrichment Camps are held Tuesday, Wednesday, and Thursday from 9:30 am to 12:30 pm. Our program was designed with your summer vacations in mind! Your family can enjoy a long weekend away and your child can attend Summer Enrichment Camp mid-week while you recover from/prepare for a long weekend.

Week 1 ~ Under the Big Top (July 10th, 11th, and 12th): Join us for a journey to the circus...without leaving the learning center! During this Summer Enrichment Camp, children will sing songs and read stories about, lions and tigers and bears! We will make clown hats, do face painting and go on a circus parade. We will also play in tents, identify the sounds we hear at the circus and enjoy circus themed snacks.

Week 2 ~ Spanish Explorers (July 17th, 18th, and 19th): Does your child like to explore new places? During this Summer Enrichment Camp, children will have the opportunity to learn about Spain. They will explore different types of music, food, songs and art. They will make Spanish instruments, learn a traditional Spanish dance, practice some Spanish vocabulary and more.

Week 3 ~ Painting and Pottery (July 24th, 25th, and 26th): Does your child like to be creative? During this Summer Enrichment Camp, children will make their own paint and clay, then create masterpieces with a variety of different paint textures. They will also get the opportunity to paint a keepsake pottery piece which we will have professionally glazed and fired! **** There is an extra supply fee of \$12.00 for this week due at registration.** We will contact you when Pottery pieces will be available for pick up the following week at DPLC.

Week 4 ~ Little Bakers (July 31st, August 1st, and 2nd) Join us for a baking adventure! During this Summer Enrichment Camp, children will become little pastry chefs. Children will learn to follow recipes (we have photo recipes our Toddlers love!), measure, stir, and mix their way into some delicious fun! The recipes and our yummy creations will be delivered daily to your home by your "Little Baker"!

Week 5 ~ Music and Movement (August 7th, 8th, and 9th): Does your child love to move and groove? During this Summer Enrichment Camp, children will learn about different styles of music. The children will explore the sounds of Jazz, Rock and Roll, and Classical music. They will make instruments, dance, paint and eat to the groove.

Week 6 ~ Featured Author (August 14th, 15th, 16th): Join us on a reading adventure that incorporates many of our other themes! During this Summer Enrichment Camp, we'll read books by our Featured Author (we can't say who...it's a surprise). The children will enjoy music, movement, art, and cooking activities related to our Featured Author and the stories we read. Truly a memorable experience for any young book reader!

Week 7 ~ Kindergarten Jump Start (August 21st, 22nd, and 23rd): This camp is taught by an experienced Universal Pre-K teacher. Through games, music, movement and art your child will review upper and lower case letters, numbers, word families, site words, and write and illustrate their own stories. They will be ready to jump right into Kindergarten! **This program is for 4 and 5 year olds only, who will be entering Kindergarten in the Fall of 2018.**
